

ZAID SALEEM

MERN STACK DEVELOPER

[LinkedIn](#)[GitHub](#)[Portfolio](#)

As a Computer Science graduate with experience working in the industry and completing an internship, I am eager to secure a challenging position as a Web and Mobile Application Developer. With a proven track record of successfully implementing MERN technology and utilizing problem-solving techniques to manage complex projects, I am confident in my ability to contribute to a dynamic team and utilize my skills to drive innovation and growth. I am excited to continue developing my expertise in this field and make meaningful contributions to the industry.
