Profile

As a Computer Science graduate with experience working in the industry, I am ready to secure a new challenging position as a Web and Mobile Application Developer. With a proven track record of successfully implementing MERN technology and utilizing problem-solving techniques to manage complex projects, I am confident in my ability to contribute to a dynamic team and utilize my skills to drive innovation and growth. I am excited to continue developing my expertise in this field and make meaningful contributions to the industry.

Experience

REACT NATIVE AND REACT JS | TBOX SOLUTIONZ | SEP 2022 – ON GOING

- Created cross-platform applications, ensuring compatibility with both iOS and Android platforms.
- Design, build, and maintain high-performance, reusable, and reliable Reactjs/React Native.
- Implemented UI/UX designs according to design guidelines, creating user-friendly interfaces.
- Deploy and build code and prepare for production for Android, iOS and browser.
- Collaborated with cross-functional teams, including designers and backend developers, to deliver successful projects on time and within scope.
- Some of the projects are Rylyf, Beauty SASS Product, Carantee, Car Inspection App, VibeShare, Task Management System, Real Horse and so on.

MERN STACK | UNIVERSITY PROJECTS

- Created some projects on my own using React JS, JavaScript, NodeJS like Robo Friends and Face Detector Application.
- Created my Final Year Project using React Native and Node JS.
- Completed Bus Tracking Web and Mobile Application.

Education

BS IN COMPUTER SCIENCE | AUG 2018 - JUNE 2022 | GOVERNMENT COLLEGE UNIVERSITY | 3.85 CGPA
FSC IN PRE-ENGINEERING | 2016 - 2018 | WORKERS' INTERMEDIATE COLLEGE HYDERABAD | A-GRADE

Skills & Abilities

- | | |
|------------------------------|-------------------------|
| • React JS, React Native | • Redux, Redux Saga |
| • Node JS. Express JS | • JavaScript/TypeScript |
| • MySQL, PostgreSQL, MongoDB | • Firebase, Git |

Achievements/Certificates

- Full Stack Development Course, Zero to Mastery (ZTM).
- React JS and React Native courses, CodeWithMosh.
